An amendment to Article 36 was made and seconded as follows: To instruct the Selectmen to study and to negotiate with the N. H. Electric Co-operative, Inc. for the purpose of

purchasing their building located on the Common and to report at the adjourned meeting on May 16, 1972 as to the relative merits of purchasing either the County building or the building of the N. H. Electric Co-operative, Inc. This amendment was voted in the affirmative and adopted. It was then voted to consider Article 36 as amended at an adjournment of this meeting to be held Tuesday, May 16, 1972 at 7:30 O'clock in the afternoon at the Plymouth Area School.

Article 37.—Planning Board:

Voted to authorize the Planning Board to expend in its discretion for regional planning purposes or for other purposes in the performance of its official duties, the unexpended balance of the \$5,000.00 appropriated in 1969 as the Town's share of a comprehensive master plan of the Town, the federal participation in the so-called 701 Program for local planning having been discontinued.

Article 38.—Any Other Business:

It was requested by Mr. Eldwin Wixson that a rising vote of thanks be given to Mr. Lee Buckland who is retiring as Selectman; this was cheerfully done by all in attendance.

Selectman Madison Sears requested that the name "Overseer of the Poor" be changed at this time, but the Moderator advised that this would not be legal since it did not appear in the Warrant. It was moved, seconded and voted in the affirmative that Article 11 be reconsidered. It was moved and seconded as follows: that the motion adopted under Article 11 be amended so that the Selectmen shall report at the May 16, 1972 adjournment of this meeting. After discussion, the previous question was moved and seconded and so voted. The amendment to Article 11 was then voted in the affirmative and adopted.

A request that changes in the zoning laws be discussed at the adjourned meeting in May was denied as it was not in the original Warrant.

The meeting was adjourned at 10:20 o'clock in the afternoon.

TOWN MEETING—MAY 16, 1972

A legal meeting of approximately eighty inhabitants of the town of Plymouth was held at the Plymouth Area School on Tuesday, May 16, 1972. The meeting was called to order at 7:40 o'clock in the afternoon by the Moderator, Atty. George T. Ray, Jr., for the purpose of further discussion of Articles 11 and 36 of the Town Warrant for the regular Town Meeting of March 7, 1972.

Article 11:—Sidewalk Construction on the Town Road Section Leading to the Plymouth Area School:

An amendment to Article 11 was made, seconded and voted in the affirmative at the Town Meeting of March 7, 1972 as follows: "To instruct the Selectmen to negotiate with Miss Alice Foster for the purchase of land, or an easement, for the construction of a sidewalk on the town road section leading to the school and to instruct the Selectmen to recommend an appropriation for such purposes, either at the next regular Town Meeting or an adjournment of this meeting, if there be such."

Under Article 38 of the Town Warrant, it was moved, seconded and voted in the affirmative that Article 11 be reconsidered. Article 11 was further amended at that time as follows: "That the motion adopted under Article 11 be amended so that the Selectmen shall report at the May 16, 1972 adjournment of the regular Town Meeting."

In the interim between the meetings, the Selectmen met with Miss Alice Foster at which time she stated that she refused to sell any of her land. This land would be needed if the sidewalk were to be constructed on the left hand side of the road leaving the school. As a consequence, it was decided that the sidewalk could be constructed on the right hand side of the road on land which the Town already owns.

Bids for construction of the sidewalk had been received by the Selectmen, the lowest being for \$3,200.00. Therefore, the motion was made that the Selectmen be authorized to spend \$3,200.00 for the construction of a sidewalk adjacent to the County Road and leading to the Plymouth Area School. The motion was seconded and voted in the affirmative.

Article 36.—Purchase from the County of Grafton the Court House Property at the Corner of Main and Court Sts. or Purchase of the N. H. Electric Co-operative, Inc., Building on the Common, One of which to Be Used for a Municipal Building:

It was moved and seconded at the regular Town Meeting of March 7, 1972 that consideration of this article be postponed to an adjournment of the meeting to be held Tuesday, May 16, 1972 at the Plymouth Area School at 7:30 o'clock in the afternoon. Article 36 in the Town Warrant reads: "To see what sum of money the Town will vote to appropriate to purchase from the County of Grafton the Courthouse property at the corner of Main and Court Streets to be used as a municipal building, to raise the sum appropriated by borrowing on the credit of the Town through the issuance of serial notes or bonds of the Town pursuant to the Municipal Finance Act and to authorize the Selectmen to apply for and receive any funds that may be available from any state, federal or private source."

An amendment to this article was made and seconded at the regular Town Meeting as follows: "To instruct the Selectmen to study and to negotiate with the N. H. Electric Co-operative, Inc. for the purpose of purchasing their building located on the Common and to report at the adjourned meeting on May 16, 1972 as to the relative merits of purchasing either the County building or the building of the N. H. Electric Co-operative, Inc." This amendment was voted in the affirmative and adopted.

In the interim between the two meetings, the Selectmen met with representatives of the N. H. Electric Co-operative, Inc. at which time a selling price of \$75,000.00 was announced. After this meeting, a three man committee, namely Malcolm Cayes, Normand Racette and Watson Rand, were appointed by the Selectmen to study the possibilities of each building. Mr. Watson Rand read the results of that study at this time giving the committee's views on the feasibility of remodeling the Court House, that would have to be done in their estimation in order to make it an efficient municipal building. The N. H. Electric Co-operative, Inc. building was ruled out by then due to the complete lack of parking space.

Selectman Sears announced that the County had decided that it would sell the Court House property to the Town of Plymouth for the sum of \$49,000.00. This amount could be paid to the County over a period of five years, the first payment to be made in 1973.

At this point there was much discussion after which it was decided that a professional engineer ought to be hired to get an accurate view of the feasibility of the Court House building being remodeled. Therefore, the following motion was made and seconded: "I move that the Town raise and appropriate the sum of \$1,000.00 to be raised from current taxes, to be expended by the Selectmen to further study the feasibility, the purchase and the remodeling of the Grafton County Court House Building and also to study any alternative thereto-and that further consideration of Article 36 of the 1972 Town Warrant be postponed to an adjournment of the meeting to be held on Tuesday, September 19, 1972 at the Plymouth Area School at 7:30 o'clock in the afternoon."

This motion was voted in the affirmative and passed.

The meeting was adjourned at 9:30 o'clock in the afternoon.

TOWN MEETING — SEPTEMBER 19, 1972

A legal meeting of approximately sixty inhabitants of the Town of Plymouth was held at the Plymouth Area School on Tuesday, September 19, 1972. The meeting was called to order at 7:45 o'clock in the afternoon by Moderator, George T. Ray, Jr. for the purpose of further discussion of Articles 11 and 36 of the Town Warrant for the Town Meeting of March 7, 1972 which was adjourned to May 16, 1972. The May 16 meeting was adjourned at that time to September 19, 1972 with the hope that more information could be procured relative to the feasibility of the remodeling of the Court House property as a municipal building.

The minutes of the May 16, 1972 Town Meeting were read by the Moderator, following which a report on the progress of Article 11 was given by the Chairman of the Board of Selectmen, Norman L. Samaha. Mr. Samaha stated that the sidewalks had been completed within the \$3,200.00 raised at the Town Meeting of May 16, 1972. He noted, however, that payments for work done on the sidewalk were being withheld until an error, in which approximately one foot of the width of the sidewalk infringed upon the property of Miss Alice Foster, could be settled.

Discussion of Article 36 was begun with a report by the Court House Study Committee, namely Watson A. Rand, Malcolm C. Cayes and Normand R. Racette. The Chairman of that committee, Watson A. Rand, stated in this report that the committee had not expended the \$1,000.00 allocated to it at the adjourned Town Meeting of May 16, 1972 as they had been asked by the Selectmen not to do so until a title flaw of the Court House property could be settled. Information that the title was clear was not received by the committee in time for them to hire a professional engineer for remodeling advice on the Court House structure before this September 19, 1972 meeting.

Announcement was made by Mr. Rand at this time that there was to be a meeting of the Trustees of the University of New Hampshire, Plymouth State College officials, the Selectmen of the Town of Plymouth and the local Chamber of Commerce officials on September 21, 1972. The purpose of this meeting is to be discussion of the possibility of the University of New Hampshire granting to the Town of Plymouth three flat areas, two being presently used as college parking areas and a third being used as a tennis court area, on the north side of Court St. This would provide much needed parking areas for the town, both those having business in the town offices and those shopping on the Main St.

At this time, a motion was made by Robert Frey as follows: "I move that the Selectmen of Plymouth be authorized to negotiate with the County for the purchase of the Court House; such purchase or option shall be for a sum of money not to exceed \$49,000.00."

Dr. Frey's motion was then amended by Walter Murphy to read: "I move that the Selectmen of Plymouth be authorized to negotiate with the County of Grafton for the purchase of the Court House property, such purchase shall be for a sum of money not to exceed \$49,000.00 to be paid over a period of five years by four annual installments of \$10,000.00 each and a final annual installment of 9,000.00, all installments payable without interest. The first payment of principal to be made in 1973 and all installments to be made out of current taxes."

Mr. Murphy's motion to amend Dr. Frey's motion was then seconded and passed. The vote was then taken by printed ballot on Dr. Frey's original motion. Fifty-six votes were cast, a two-thirds majority (in this case, thirty-seven votes) were needed to carry the motion. The vote was as follows:

41—YES (to purchase the Court House property subject to the conditions of Mr. Murphy's amendment)

15—NO (not to purchase the Court House property)
Therefore, the original motion, subject to the conditions of the amendment, was voted in the affirmative.

At this time, a sense of the voters present was taken as to the acceptance of funds under the Federal Revenue Sharing Program, if and when it becomes law, subject to whatever conditions may be attached. This was voted in the affirmative.

The meeting was adjourned at 8:48 o'clock in the afternoon.

WARRANT FOR 1973 ANNUAL MEETING OF THE TOWN OF PLYMOUTH

To the Inhabitants of the Town of Plymouth in the County of Grafton and State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Plymouth Area School in said Plymouth on Tuesday, the 6th day of March next, polls to be open for voting on Article 1 at 10:00 o'clock in the forenoon and to close promptly at 6:00 o'clock in the afternoon, with action on the remaining articles to be taken commencing at 7:30 o'clock in the evening.

Article 1: To elect all Town officers which appear on the official town ballot for the ensuing year.

Article 2: To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3: To see if the Town will vote to authorize withdrawal of the sum of \$10,000 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against the following debt service incurred for "priority expenditure" since January, 1972:

Purpose	Amount
1972 Courthouse note to Grafton County - payment due April 1, 1973 -	\$10,000.00

Article 4: To choose one Library Trustee for a term of three (3) years.

Article 5: To choose two (2) Park Commissioners for terms of three (3) years each.

Article 6: To choose one Trustee of Trust Funds for a term of three (3) years.

Article 7: To see what sum of money the Town will vote to raise and appropriate to defray the costs of operating the Police Department.

Article 8: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 of the sum of \$2,000.00 for use as a set-off against the amount appropriated under Article 7 to purchase a new police cruiser.

Article 9: To see what sum of money the Town will vote to raise and appropriate for the support of the Free Public Library.

Article 10: To choose one member of the Zoning Board of Adjustment for a term of five (5) years.

Article 11: To see what sum of money the Town will vote to raise and appropriate for the maintenance and construction of highways.

Article 12: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations under Article 11 and, further, to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced:

Appropriation	Estimated Amount
Pickup truck & plow	\$4,700.00
Power Sander	\$3,500.00

Article 13: To hear the report of the Committee appointed by the Selectmen pursuant to an affirmative vote on Article 27 of the 1972 Warrant and to see what sum of money the Town will vote to appropriate to finance the cost of construction of a new garage for the Highway Department to be erected on land leased by the Town from the Plymouth Village Water and Sewer District near the sewerage treatment plant, \$35,000.00 of the sum so appropriated to be set-off by a withdrawal in that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and the balance to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds of the Town pursuant to the Municipal Finance Act, the amount to be raised by borrowing to be adjusted upward by the Selectmen if estimated entitlements under the State and Local Assistance Act of 1972 are reduced.

Article 14: In the event of an affirmative vote on Article 13, to see if the Town will vote to authorize the Selectmen to sell and convey the present town shed property so-called located at the corner of Cummings and Avery Streets.

Article 15: To see what sum of money the Town will vote to raise and appropriate for sidewalks.

Article 16: To see what sum of money the Town will vote to raise and appropriate for Town highway maintenance in cooperation with the State.

Article 17: To see if the Town will vote to accept a deed from Eleanor Colbath and her husband, R. Dale Colbath, of a strip of land, 50 feet in width, to be used as a Town road, which strip extends in an easterly direction 800 feet, more or less, from Route 3-A in West Plymouth and terminates at a turnaround which has a radius of 50 feet, said deed to contain a description by metes and bounds satisfactory to the Selectmen.

Article 18: To see if the Town will vote to accept a deed from the Trustees of Woodland Trust, formerly Plymouth Realty Trust, of a strip of land 50 feet in width now known as Summit Road, to be used as a town road, which strips extend in a westerly and north-westerly direction 2,000 feet, more or less, from Stage Coach Road and terminates at a turnaround which has a radius of 100 feet, said deed to contain a description by metes and bounds satisfactory to the Selectmen, provided, however, that the Selectmen are authorized to maintain a barrier at the entrance of Summit Road until such time as at least one dwelling house is placed under construction on one of the lots fronting on said road.

Article 19: To see what sum of money the Town will vote to raise and appropriate to defray the costs of operating the Fire Department.

Article 20: To see what sum of money the Town will vote to raise and appropriate for the Sceva Speare Memorial Hospital, the sum so appropriated to be used exclusively for the purchase of needed equipment.

Article 21: To see what sum of money the Town will vote to raise and appropriate for ambulance service.

Article 22: To see what sum of money the Town will vote to raise and appropriate for the care of shade trees and the planting of new trees.

Article 23: To see what sum of money the Town will vote to raise and appropriate for civil defense.

Article 24: To see if the Town will vote to grant to the New England Telephone and Telegraph Company a right of way to maintain its underground lines across the property of the Town known as the Plymouth Airport, an approximate distance of 2,498 feet, said right of way to be subject to a vote by the Town each year at its annual meeting.

Article 25: To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvement of the Plymouth Airport.

REPORT OF THE SELECTMEN

The purchase of the Grafton County Court House on December 31, 1972 ended a long period of study, negotiation and two special town meetings. It marks the year when Plymouth owns a Town Hall or Municipal building for the first time. It is proper that this building is on the historic Plymouth Common.

Once purchased the problem is posed "what shall we do with it?" As you will note in the warrant we are asking for \$20,000.00 for the Phase 1 repairs to the building. We estimate this will allow roof repairs, ceiling insulation, additional storm windows, an entrance to the back office and some changes or the replacement of the heating system. It is expected the building will be adequate for town offices, the District Court, the Police Department, and a Selectmen's room, which can also be available for a conference room. We are having discussions with School Supervisory Union #48 and may be able to rent them adequate space for their offices.

A major problem still exists in providing adequate parking for our new Municipal Building. Plymouth State College graciously rented two parking lots, on Court Street, to Plymouth Chamber of Commerce in the Fall of 1972. It is hoped this can be continued and even additional space arranged for "Town Hall" employees and business visitors.

Other problems need mention in our report. As most of you know, our Plymouth Dump will be closed on July 1, 1974 and the Dump Committee continues to explore suitable locations for a sanitary land-fill operation. We know the solution may be costly, as compared to our past experience.

Storm sewers in parts of town are non-existent and in others overloaded. The cost of treating surface water in our Sewage Disposal Plant will require a major effort to separate run-off water from our sanitary sewer system.

Many of our streets are in deplorable condition. We hope to start a program this year to make major improvements to the town streets. Because this is closely related to storm sewers the planning should embrace both items.

For many years we have talked about building a new Highway Department garage to replace the old sheds near the hospital. The committee has come up with a plan for a building on land owned by

the Plymouth Village Water and Sewer District, leased to the Town of Plymouth, and to be located 300 feet north of the Sewage Treatment Plant. We hope to use some of our Revenue Sharing Funds to construct the new Highway Garage.

During 1973 we will be studying proposals to replace the 1949 Mack pumper in the Fire Department. The fire underwriters feel any equipment over 20 years old is obsolete and in case of trouble, parts may not be available.

In 1972 we installed one dry hydrant, in 1973 we have planned for two additional ones to be placed in the West Plymouth area.

The strategic location of Plymouth mandates it to be a growth community. Unless this growth is carefully planned we can get into many problems. We will encourage the Planning Board to take whatever steps are necessary to provide for orderly expansion.

Total Fire Calls for the Year	84
Breakdown of Calls	
Box Alarms	26
Silent Alarms	33
Out of Town Alarms	9
Mutual Aid Alarms	2
Misc. Alarms	8
False Alarms	6

One dry hydrant was installed in Clay Brook on Tenney Mountain Highway.

A mutual aid agreement has been made with other towns. This system is known as Twin Rivers Mutual Aid Association. We are in hopes this association will grow to include more towns in our area.

Good equipment and personal training has helped make your fire department efficient.

If you should discover a fire in your home, call the fire department. Then if you see fit, attempt to extinguish it yourself. If you have it out when we arrive, very good. A delay in calling could be cause of a greater loss for you.

Respectfully submitted,

LOUIS A. SLEEPER, Fire Chief

TOWN OF PLYMOUTH AMBULANCE SERVICE REPORT

The total runs made in 1972 was 274. Twenty-five of these calls were for highway accidents and five were false calls for service.

The Plymouth Ambulance Service is now licensed and operating under R.S.A. 479:1, chapter 151-B which means the equipment is up to standards set forth by this law and personnel have been trained in ambulance first aid. First aid is a continuous project to maintain skill. One thought to ponder—The man on the street watching ambulance pass by remarks the machine is going too fast, the injured or sick person's friend says what took you so long?

The drivers are instructed to respond to an emergency as swift as can be done safely.

Time is important in an emergency of respiratory, heart condition and bleeding. Many times information is not available, just a call for an ambulance needed in a hurry. We must then plan on a most urgent need—YOUR LIFE MAY DEPEND ON IT.

Respectfully submitted,

LOUIS A. SLEEPER, Fire Chief

ANNUAL REPORT OF
USDA DONATED FOOD PROGRAM
Year Ending December 31, 1972

Donated or "surplus" food is distributed to low income residents to supplement their diets. Food recipients must produce evidence that their incomes and financial assets do not exceed guidelines established by the State and Federal governments. Food is distributed most frequently on the third Friday evening of each month. Storage and distribution of the food takes place at the Plymouth Congregational Church.

In 1972, 47 families (154 persons) received food at least once. The monthly average was 25 families. An average of 20 food commodities was distributed each month. The following are total year distributions for a sampling of commodities:

butter - 863 lbs.; cheese - 1,145 lbs.; meat - 678 cans;
vegetables - 919 cans, and juice-fruit - 1,112 cans.

Local food distribution is made possible only by the work of volunteers. We would like to thank the following for their generous assistance:

Plymouth Congregational Church
PSC students from Mr. Fischler's class
Service Committee of Holderness School
Lamba Chi fraternity of PSC
Neighborhood Youth Corps under the supervision
of Jack Largent
Nutrition Aides of the Cooperative Extension Service
The William Webb family
The Richard Topham family
Albert Reitsma, Jr.

Feel free to contact us if you want to apply for food or have questions concerning the program.

PLYMOUTH PUBLIC LIBRARY

Annual Report — 1972

To the Trustees:

The Plymouth Public Library joins the townspeople in paying tribute to Mrs. Eva A. Speare. Mrs. Speare was a regular visitor to the library and was always most gracious in allowing us to refer to her in many of our historical and genealogical questions. During the summer, a gift of \$500.00 was given to the library by the John Clough Genealogical Society in her memory. It is to be added to the fund already established for the purchase of books in the fields in which she was so interested.

The resignation of Mrs. Alice Dickinson became effective July 1. Mrs. Dickinson came to the Plymouth Public Library in 1957. Under her guidance and counsel, the entire book collection was weeded and recatalogued. Many new library programs were begun under her direction. She was always most helpful to students and patrons. A farewell reception was given Mrs. Dickinson by the Young Ladies Library Association.

The Young Ladies Library Association has again been very generous to the library, giving \$300.00 to the book fund, having the library repainted and installing a new furnace.

Various exhibits were also shown at the library. Dr. Walter Tatara spoke on the N. H. Heritage Trail and showed slides at a meeting in April. Thirty children participated in the summer reading program. The library collection was weeded during the summer with the aid of the State Library Consultant. The discarded books were given to the Hospital Auxiliary for the annual Hospital Fair.

As part of the High School work program, Sandra Heath spent 22 hours working in the library.

The librarian met informally with Mrs. Mardean Badger, Plymouth Area School librarian, to discuss ways and means of better cooperation between the two libraries. Of mutual benefit to both libraries was an immediate exchange list of magazine holdings and a loan to the Area School of some classics not currently being used at the Plymouth Library. The major discussion concerned the feasibility of a union catalog for both libraries. This is a long range project and will require further study by the librarians, the Library Trustees and the School Board.

Barbara Nims was appointed Librarian in August and Mrs. Patricia Topham as assistant.

Respectfully submitted,
BARBARA NIMS

PLYMOUTH CIVIL DEFENSE REPORT — 1972

The National Civil Defense Agency has changed its name to better describe its expanded role. The new name is the Defense Civil Preparedness Agency. A recent memorandum received from C. D. Headquarters states: "In addition to its basic responsibilities in the event of a nuclear attack on the United States we now have the mission of providing natural disaster preparedness planning assistance to State and local authorities." In line with the new role the Plymouth C. D. has applied for an Emergency Operations Simulation Training Course. This exercise, sponsored by the Division of Continuing Education of the U. N. H. will be carried out as soon as possible.

The men of the C. D. Aux. Police unit performed 835½ hours of actual police patrol during 1972. These are the hours the men of this unit replaced men of the regular department due to sickness, emergencies, vacations, etc. In addition to this, many hours were spent covering ball games, dances and prisoner details at the local Police Department. As in the past, much time and effort was spent by all members of the unit in training and other volunteer duties. At present eight members of the C. D. unit hold ambulance attendant licenses. All members of the unit are hand gun qualified. The C. D. pistol team placed third in the State shoot this year. Much progress has been made in organizing the unit and the coming year should see the results of this planning.

REPORT OF PARK AND RECREATION DIRECTOR

The Park and Recreation Commission develops and maintains recreation areas and facilities and conducts a year-round program of public recreation activities.

The areas and facilities are used by individuals, families, and groups as well as for the activities conducted by the Park and Recreation Commission.

In 1972 twenty-eight organized activities were provided. Total attendance for these activities was 14,636. Average attendance was 39.2.

Since there is no way to record individual, family, and group use of areas and facilities, provision of statistical information about this aspect of Park and Recreation Commission service isn't possible.

A highlight of the year was hosting of the New Hampshire Special Olympics at PSC Field House on June 2nd. This event involved hundreds of volunteers from the Plymouth area and brought much credit to Plymouth and the Park and Recreation Commission.

Another highlight was successful implementation of the Plymouth School Board policy on use of school facilities for Park and Recreation Commission purposes. Plymouth is the first community in New Hampshire to develop this type of working relationship, and we are being recognized as leaders in the area of school-based community recreation.

A third highlight is the enhancement of our winter programming potential through purchase of one of the first publicly owned skating rink liners in the State and through the provision of free public skiing at the school slope on Saturdays and Sundays.

Thanks to the time and effort of many unnamed individuals and groups, 1972 has been a satisfying and rewarding year. Progress has continued at a slow, but steady, pace, and we can be proud of the strides this community has made in attempting to respond to the recreational needs of its people over the last four or five years.

Plymouth now has a good, basic activity program. There are a variety of recently expanded and improved outdoor recreation areas for public use. And, indoor school and college owned facilities are being utilized by the public for recreation purposes. We certainly haven't completed our task, but we have built a sound foundation to support the future growth and development of park and recreation services.

The obvious next steps are: (1) provision of more activities in areas other than athletics, sports, and games; (2) development of more recreational opportunities for girls and adults, especially senior citizens; and (3) the establishment of an adequate maintenance program for public recreation facilities at both Fox Park and the school site.

INFORMATION BOOTH REPORT

February 6, 1973

Board of Selectmen
Town of Plymouth
Plymouth, N. H.

Gentlemen,

The Information Booth opened July 1, 1972 and closed September 3, 1972. It was attended very efficiently, as usual, by Hazel Downing.

She serviced 4,522 cars, an increase of 1187 over 1971. and 13,814 people, an increase of 3079 over 1971.

All of the United States were represented except Arkansas, Idaho, Mississippi, Montana and North Dakota.

People from all Canadian provinces except Manitoba and Newfoundland called at the booth.

Ten European countries, three South American countries, Japan and Persia were also represented.

The Chamber of Commerce thanks the voters of Plymouth for their support of the booth.

Respectfully submitted,

Clarence H. Jones
Secretary

PEMI-BAKER HOME HEALTH AGENCY, INC.
ANNUAL REPORT TO THE TOWN OF PLYMOUTH

During the 1972 operating year a total of 1,838 visits were made by the Agency's nurses to Plymouth residents. The number of visits increased by 91 over the preceding year.

In order for the Agency to continue its work among the citizens of Plymouth and the surrounding towns, additional support is required from all participating communities. This year the Agency requests the sum of \$2,610.00 from Plymouth. This sum represents \$.85 per capita as compared with a state average of \$1.25.

Should you wish to receive a visit from one of the Agency nurses, make your needs known through your own physician.

PLYMOUTH PLANNING BOARD'S ANNUAL REPORT

Ike Trojano

Henry Fracher

1972 is now history, all those impending decisions, meetings to be held, investigations to conduct, inquiries, invitations, legal opinions! To insure to the best of the ability of those civic minded townspeople who dedicatedly serve without pay that Plymouth will grow with purpose and order and not just happen and to insure that in this inevitable growth the towns balance suffers not and that the taxpayers of some future generation are not saddled with blunders of this one. The Board, except for emergencies, meets the third Thursday of each month to hear new requests and pass on those previously submitted. We have several new members now and are most happy to welcome aboard Henry Fracher. Phyllis Sutherland who in her unofficial capacity has lifted the Board's secretarial chores from this scribe's shoulders for which I am most grateful—and at the same time wish to express on behalf of the Board our deep appreciation for services rendered by Phil Lenentine who because of business pressures found it necessary to resign after years of faithful service. The Plymouth Planning Board wishes once again to express its appreciation for support from the town's citizens.

REPORT OF THE TRUSTEES OF THE TRUST FUNDS

Since town meeting of 1972, there have been some changes made in the accounts of the Trustees of the Trust Funds. A letter from the office of the Attorney General early in the year asked that the trustees appear before the charitable trust division and the municipal tax division of the tax commission to correct bookkeeping procedures. Their recommendation was that we hire a certified public accountant to reconstruct all the accounting procedures since 1902, when trust funds were first started. Inasmuch as there was no monies raised at town meeting for such an expense, it was decided that the trustees do this work, with the help of the tax division. This work has now been accomplished, and the books are now in accordance with the request of the state departments.

The trustees determined that the common trust monies which were invested in mutual funds were not bearing a high enough dividend rate, so we sold them all, and reinvested the monies in common stock and utility companies as approved by a legal list of investments by the State of New Hampshire. These new funds are expected to yield at least 6% dividends, whereas the mutuals were netting us about 3%. These figures will show up better on the records of 1973, when they will be paying returns for the full year. The profit from the sale of the mutuals, according to the records of 1971, was \$14,569.42. We also brought certificates of deposit yielding 6% from the savings account which was paying 5%. This again will show a gain next year when they will be paying interest for the full year. As of December 31, 1972, there is \$125,080.06 invested in trust funds, from original individual perpetual care accounts of \$60,327.14.

The Trustees of the Trust Funds have the responsibility of managing the funds for the cemeteries of Plymouth, as voted at a town meeting in 1928. Upon the recommendation of the Superintendent of Cemeteries, Madison Sears, we had the fences repaired and painted at the abandoned cemeteries—there are 13 in Ply-

mouth—and replaced the gates which needed attention. And we had the tool house at Riverside Cemetery moved from an entrance position to the edge of the property. An unusual expense was the flood damage in the summer to the streets in sections three and four, and lightning struck the huge pine tree in section two. This tree had to be removed by the Batchelder Tree Service, and the roads had to be made passable, at quite an expense to the cemetery funds.

Another project brought to completion this summer was the re-mapping of Riverside Cemetery. This map shows ownership of all the lots, and perpetual care is indicated on those lots which have said care. When the maps were all drawn, they were photographed and reduced through the kindness of Wallace Stuart, so that copies were made, and the film is being kept for future records.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A. M. and 5:00 P. M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent forest fires.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	36	10¼

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Trustees of the Trust Funds, Treasurer of the Library Trustees, Treasurer of the Park and Recreation Commission, Justice of the District Court and Tax Collector.

The records of the individual receipts were found to be correctly cast and properly vouched. We have verified cash balances and reconciled bank statements for such officials as have town business accounts.

We have examined the securities in the Trust Funds. We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Town Trust Funds, Road Agent, Chief of Police, and Clerk of the District Court.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Plymouth in the County of Grafton in said State qualified to vote in District Affairs:

You are hereby notified to meet at the Lecture Auditorium in the Area High School in said district on Thursday, the first day of March, 1973, at eight o'clock in the afternoon of said day to act upon the following subjects:

Article 1. To hear the reports of agents, auditors and committees or officers chosen and to pass any vote relative thereto.

Article 2. To see if the District will raise and appropriate the sum of One Million One Hundred Three Thousand Five Hundred Fifty-Three Dollars (\$1,103,553.00) for the support of schools and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from State Foundation Aid Fund, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which leaves an estimated balance of Five Hundred Seventy-Eight Thousand Six Hundred Five Dollars (\$578,605.00) to be raised by taxes by the Town.

Article 3. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any and all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

Article 4. To see if the District will establish a contingency fund to meet the costs of unanticipated expense which may arise during the year in an amount not to exceed One Thousand Dollars (\$1,000.00), all in accordance with Revised Statutes Annotated 98:4-b.

Article 5. To see if the School District will authorize the School Board to negotiate and execute such tuition contracts as they may deem advisable for non-area School Districts.

Article 6. To see if the District will vote to authorize the School Board to negotiate and enter into such agreements as may be necessary and incidental to the lease of a portion of the property owned by the School District to the Supervisory Union for the purpose of the construction of a building to be owned by the Supervisory Union, and to authorize the School Board further to execute any and all instruments as may be incidental thereto.

Article 7. To transact such other business which may legally come before said meeting.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This will be my final report as your superintendent of schools. I have resigned from the position effective June 30, 1973.

It would be easy at this time to review the changes in the school system over the years, both in terms of finance and administration but I do not intend to do this. Instead I will write briefly on where the schools are today and what I think you can expect to see in the years directly ahead.

The School Board, the principals and this office have been working on a proposed budget for 1973-1974 since early in December. Only as this is written has a revised copy been completed to be presented at a Town Budget Hearing. For the first time in history the school budget exceeds one million dollars. You can rest assured that every dollar can be accounted for and will be used wisely.

Reasons for the budget increase are varied. (1) More pupils are expected and it costs more for teaching, books and supplies. (2) Costs in about everything connected with education are still rising. (3) In order to maintain our status as an approved elementary school new positions must be added. (4) Plymouth has been designated as a Vocational Center by the State Board of Education. This Center will cost money to implement but should return large dividends in terms of Federal Funds for salaries, buildings and equipment. These are the main reasons for an increased budget.

The enrollment of the school next year will approach 1000 pupils K-12. While the largest growth at present will be at the High School level, the enrollment in the elementary grades is expected to rise also. It is anticipated that the freshman high school class next year will number about 160 pupils. To my knowledge this is the largest high school class ever and for the first time Plymouth High School will have an enrollment of nearly 500 pupils.

If the growth rate continues, with the near future plans should be formalized to provide more space. Although we aren't in any immediate danger of overcrowding, when you begin to reach capacity limits time goes by quickly. Original plans provided space for about 1,050 pupils and a 10% overload probably could be handled without a problem, but do not wait until you have to go on double sessions to act.

As stated earlier, Plymouth has been designated as a Vocational Center by the State Board of Education, if and when we meet certain standards. With this in mind we have been looking for a Vocational Director since last Spring. They are difficult to find and it was only last week that someone was found who met both the local and state criteria. He is already on the job.

The outcome of adding a Vocational Director should be seen next year by additional vocational courses in the high school. Where before most high school courses were of an exploratory nature such as business education, homemaking and industrial arts the intention is to train students locally so they are ready for the job market when they graduate. One course already in operation is a Foods and Nutrition Class. This has proven popular and positive results are already evident. Incidentally 80% of the Director's salary next year will be federally supported.

Several changes will be made at the School during 1973-1974 that should provide more coordination and benefit to the schools and other town agencies. The town library and the school library will be coordinated so that the school will gain more benefit from the town library and town library patrons will be able to use the facilities of the school. It is expected that the school library will be open nights to conform with the hours of the town facility. It will take a year or two of experience to achieve the desired results but there is no question it is a wise move.

Another area where more cooperation is being proposed is with the Park and Recreation Commission. Built into the school budget are plans for part of the salary for a person to work with the Director in outside activities of maintenance, upkeep of school grounds and premises. During the summer months outside areas are used little by the school though they have to be maintained a great deal by Park and Recreation. This additional help makes sense in terms of overall maintenance and supervision.

The district has received commendations from DRED (Department of Resources and Economic Development) for the sharing of facilities with Park and Recreation. I am sure the plan will enhance that situation and feel reasonably sure if avenues with the State DRED offices are kept open Federal financial help in terms of a 50% cost of improvements on the site will be considered.

Some residents may know that the AREA High School was evaluated last Fall by a committee representing the New England Association of Colleges and Secondary Schools. Not all high schools in the state belong to this association and some could not belong if they wished because standards could not be met. With a few exceptions your high school received an excellent rating and has been accredited for another five years. Accreditation means a lot, especially to students who go to college or other post secondary education.

The elementary school is in the process of meeting the new State Minimum Standards. Almost all the requirements have already been met with the exception of guidance, health education and Special Education. At this writing it is intended to use P. L. 89-10 ESEA Title I Funds to employ a guidance teacher for next year; an elementary person to help with Physical and Health Education

has been included in the budget; and temporarily Special Education will be taken care of through the Pemigewasset Development Center. Thus all standards will be met. Plymouth then will have a fully accredited elementary and secondary school.

An excellent elementary school curriculum is now well established. The reading and mathematics programs, in my opinion, are as good as can be purchased and the ESS Science program which is a new approach to the teaching of elementary science is proving its worth. One area where in my opinion upgrading is necessary is in a sequential social studies curriculum. It is not the fault of the school or the district we do not have this now. Book publishers to date have just not been able to publish an entire correlated series that meets our needs.

In the junior high school so-called mini courses have been instituted. They have been popular and well received by the students. You can also expect to see more quarter or half year courses offered in the high school as time goes on. Secondary schools all over the country are using this technique as holding power to attract students to school and to keep them there until graduation. The vocational aspect will also help.

Although we now have one of the lowest drop out rates of any school in the state, it can be improved upon and should be.

I would be remiss if I did not mention the quality of staff throughout the school system. They are a group of dedicated professionals who do their job well. Plymouth with its new school and the college should attract outstanding applicants for positions for years to come.

In spite of the fact that Plymouth State College no longer operates the elementary school their cooperation has been excellent. Our elementary education has benefited from the association and I hope in a small way the school has helped them.

Another School District Meeting will soon be history and another school budget will be voted. I have been very appreciative over the years for the financial support of the district. Each year the School Board, the Town Budget Committee and this office have worked hours to make a budget that was reasonable and could be justified. How well we have succeeded in fulfilling our commitments may be questioned but your loyalty and cooperation cannot. For the past 17 years not a single school budget to my knowledge was ever cut. This speaks for itself. Your efforts have not gone unnoticed.

In closing, many thanks to those supporters of the schools and good education who have made our school system one of the best in the state.

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1971-1972

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$15,700 which was received by the Superintendent of Schools of Supervisory Union #48 during 1971-1972 was made up as follows: \$2,500 paid by the State of New Hampshire and \$13,200 was prorated among the school districts comprising the Supervisory Union. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The salary of the Assistant Superintendent during 1971-1972 was made up as follows: \$2,700 paid by the State of New Hampshire and \$10,500 was prorated as stated above. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

PLYMOUTH AREA HIGH SCHOOL

PRINCIPAL'S ANNUAL REPORT

I hereby submit my twenty-first annual report as Principal of the Plymouth Area High School.

Our staff has five new teachers this year: Mr. Chipman - Mathematics, Mrs. Wimsatt - Freshman English, Mrs. Brook - English, Mr. Steele - Auto Driving, Mr. Wentzell - Vocational Nutrition and Mr. LeBlanc has returned after a year's leave of absence in Shop.

The New England Association of Schools and Colleges conducted the evaluation of our school in November and has accredited us for five years of membership.

Several recommendations have been made which must be adhered to if we hope to continue as members after the five year period. The staff and administration are studying these recommendations so that an early solution can be found to expedite the report.

It has been a pleasure to work in our new building and I commend our staff and students for their part in making this a successful year.

The estimated figures for the next five years are as follows:

Class of 1973	100
Class of 1974	116
Class of 1975	116
Class of 1976	124
Class of 1977	160

I wish to express my appreciation to the School Board, Superintendents Bowie and Smith, teachers, students, parents and citizens for their help and cooperation during the past year.

Respectfully submitted,

GEORGE C. ZOULIAS
Principal

ELEMENTARY SCHOOL PRINCIPAL'S REPORT

January 26, 1973

The Plymouth Elementary School has had a very successful year. We have very nearly the same faculty we had last year, so that we have been able to continue toward the same educational goals which were set up last year.

We enjoyed again this year a series of parent meetings at each grade level, and we feel that these meetings are very helpful in building a good relationship between parents and school. In this way, through communication among parents, teachers, and community can our problems be solved.

We held, also, a very successful "Open House" day, where the school was opened all day long to the visitations of parents, so that they could see the school in actual operation. The response by parents was excellent, since we had about one hundred fifty visitors on that day. We hope to conduct another such day during this school year.

This past year we put into the school a new elementary science program, which emphasized experimentation through the inquiry method.

In the Social Studies area also, we have established the inquiry method of learning through the Databank system. This system teaches students to inquire about and search for solutions to problems rather than teaching dates and facts to be learned. The Databank uses text books, resource books, pictures, films and filmstrips in its presentation.

We have continued to put great emphasis on our reading program and, after careful consideration of many programs, we added the new Scott-Foresman reading program to our curriculum.

In the seventh and eighth grade area we made a number of changes in the program, and we were able to offer to the students a varied mini-course and activity program during the last period of the day. Some of the courses and activities offered were French, a bachelor's cooking course, a girls' "Fix-It" course, boys' street hockey, a camera club, a radio course, needlework, drama, chess and cribbage, and skiing on our own slope here at school.

We have added many new books and audio-visual materials to our library, and our students now have one of the best school libraries in the state.

We shall continue to strive to give your children the best education possible, and we are very grateful for the cooperation given to us from the community.

Respectfully submitted,
MARION CLARK

PLYMOUTH SCHOOL NURSE'S REPORT

The following is a report of the health program for Plymouth schools for five months of 1972:

Dr. F. D. McIver, school physician, completed physical examinations for 210 pupils, including those participating in team sports.

Mrs. Herberta Stark, R.D.H., of the Bureau of Dental Public Health, presented a program on dental hygiene in the elementary school on December 6th and 7th.

The Lindsay Fund, administered by the American Red Cross provided an appointment for one pupil with Dr. D. B. Whitesell.

The Plymouth Lion's Club purchased a much needed vision screening Ortho-rater and presented it to the Plymouth schools. The machine used previously was loaned to Mrs. Blanche MacDonald, R.N., school nurse for Thornton, Campton, Rumney and Wentworth for use in those towns. The Lions Club also paid for an appointment with Dr. McIver, and a prescription for one pupil.

On October 27th, Miss Constance Martin, R.N., of the N. H. Tuberculosis and Health Association administered the tuberculin skin test to 60 members of the faculty and staff. Two reactors were found and follow-up procedures completed.

In December, a measles immunization level survey was undertaken with the following results:

1. Kindergarten thru Grade 8 (67% responded)—97% of these pupils had either had measles or received measles vaccine.
2. Grade 9 thru 12 (31% responding) — all of those responding have either had measles or the vaccine.
